- Dia de los Muertos

Mano a Mano — a nonprofit group dedicated to Mexican culture — presents four days of spooky celebrations surrounding the Día de los Muertos. Bookended by the creation and dismantling of an elaborately decorated altar, the long weekend features a dance procession on Thursday night, along with workshops and performances from Friday through Sunday. Create ghoulish crafts out of paper or learn to

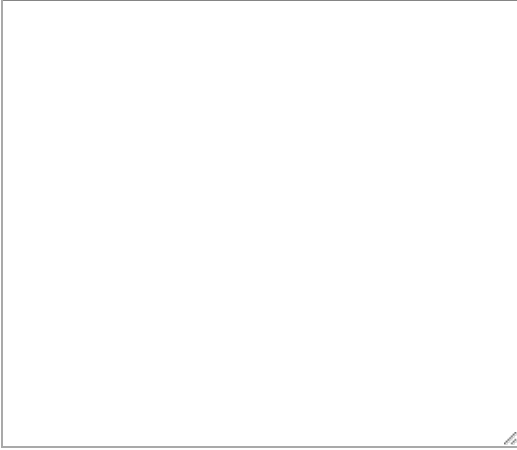

build a sugar skull, bake a loaf of Day of the Dead bread, and then grab a seat for an evening of creepy storytelling or traditional fandango.
